

VETERANS GATHER FOR BIG REUNION

Louisville To Entertain Visitors
In Royal Style.

A GREAT CROWD IS EXPECTED

All Southern States Will Be Well Represented—New Orleans Wants Next Reunion—Great Time Is Anticipated by All Attending.

Louisville, June 14.—Although the reunion of the United Confederate Veterans does not open until tomorrow, many of the distinguished figures of the confederacy and thousands of visitors are already in Louisville.

Train after train arrived today bringing in veterans and their friends and as some started from their destinations only today, it is not expected all will be in attendance when the first session of the annual reunion is called to order tomorrow at noon.

The city is profusely decorated, the electrical display being especially attractive. It is the general opinion that the city presents a gay appearance than at any other reunion.

General Mickle and party arrived today from New Orleans.

The regular convention of the veterans will be called to order at noon tomorrow by General Bennett M. Young, commanding the Kentucky division. Governor Beckham will welcome the delegates to the state and then General Stephen D. Lee, the general commanding officer, will deliver his address.

The special trains carrying General N. R. Tisdal, commander in chief of the Sons of Veterans, and his party, are expected late this afternoon. The Sons meet in Hopkins theater, their first session being set for 10 o'clock tomorrow morning. The weather is bright and warm, with the weather bureau promising fair skies for the coming four days.

Alabama Well Represented.

Birmingham, Ala., June 14.—In addition to six carloads of Confederate Veterans who left here last night for Louisville, to attend the reunion, a special train of 12 more cars will leave tonight. This party will be headed by General J. W. Bush, commander of the Fourth brigade, Alabama division, United Confederate Veterans. General Bush will be accompanied by his staff, numerous sponsors and many veterans. Colonel Thomas M. Owen, commander of the Sons of Confederate Veterans in Alabama, and a candidate for commander in chief of the Sons, left last night for Louisville. He is endorsed for commander in chief by the Alabama organization.

Many Veterans From Tennessee.

Nashville, Tenn., June 14.—Tennessee bids fair to be one of the best represented states at the confederate reunion in Louisville. A large number of veterans left on the morning trains and they will be followed this afternoon and tonight by others. All trains are being operated in two or more sections and the railroads are taxed to their utmost to handle the traffic.

Two companies of uniformed veterans, Troops A, captain George F. Hager, and company B, captain Spencer Eaken, left here over the Tennessee Central at 8:10 o'clock this morning. Company B numbers 82 men and officers.

Georgians Enroute to Reunion.

Atlanta, June 14.—Two special trains will pull out of the depots in Atlanta Tuesday morning, carrying large delegations of veterans to the big reunion which begins Wednesday at Louisville. At 7 o'clock a Southern special will leave from the new passenger station, carrying the fireman's drum corps, Camp W. H. T. Walker and Camp Stonewall Jackson. At 8 o'clock a special over the Western and Atlantic will carry Camp A. Wheeler's Cavalry, Atlanta Camp No. 159, and Camp Tige Anderson.

Mississippi Delegation.

Jackson, Miss., June 14.—This afternoon a special train bearing General Robert Lowry commander of the Mississippi division United Confederate Veterans and some two hundred others left for the Louisville reunion.

New Orleans Wants Next Reunion.

New Orleans, June 14.—Louisiana Confederate Veterans, under command of General A. B. Booth, and accompanied by Miss Blanchard, sponsor, her maids and many ladies, left here today on a special train for Louisville to attend the confederate reunion. For

several months New Orleans has been working to secure the reunion next year, and a strong committee went along to make an appeal to the convention to come here.

Mobile's Representatives at Reunion.

Mobile, Ala., June 14.—Mobile will be represented at the reunion at Louisville by a delegation of 40 old confederates from Raphael Semmes camp No. 11, United Confederate Veterans, under command of Major Saffold Berry. They left here at 1:30 p. m., joining the New Orleans delegations.

KNIGHTS OF HONOR MEET.

They Held Their Biennial Session in the City of Atlanta.

Atlanta, June 14.—The biennial meeting of the supreme lodge of the Knights of Honor will convene in the convention hall of the Piedmont hotel Tuesday. The convention will probably continue for ten days. All day and at night the delegates were arriving in the city. All indications point to a splendid meeting. As the supreme lodge of the Knights of Honor meets only every two years, there is usually much business to be disposed of. The members will be busy every day of their stay in the city. All legislation made by the supreme lodge at one of its conventions binds all the branches of the order until the next biennial gathering.

Former Governor J. C. Sheppard, of South Carolina, supreme dictator of the supreme lodge, when seen in his apartments in the Piedmont hotel he stated that he expected this meeting of the lodge to be the best that it has ever had. "But we are here purely on business," said he. "We have not come for pleasure, but to attend to the important business that confronts us. We will be busy every minute of our stay in the city."

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence county, N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." J. W. McCollum & Co.

Students Celebrate Alumni Day.

Philadelphia, June 14.—Alumni day at the University of Pennsylvania was observed today by more than 2,000 graduates of the institution. The day was devoted to an inspection of the university business meetings and class reunions. Nearly 50 classes and departmental organizations gathered in reunion, and the general societies held their annual meetings at various hours during the day. After a banquet the annual alumni society held its annual meeting.

Neuralgia And Other Pain.

All pain in any disease is nerve pain, the result of a turbulent condition of the nerves.

The stabbing, lacerating, darting, burning, agonizing pain that comes from the prominent nerve branches, or sensory nerves, is neuralgia, and is the "big brother" of all the other pains.

Dr. Miles' Anti-Pain Pills rarely ever fail to relieve these pains by soothing these larger nerves, and restoring their tranquility.

Dr. Miles' Anti-Pain Pills leave no bad after-effects, and are a reliable remedy for every kind of pain, such as headache, backache, stomachache, sciatica, rheumatism and neuralgia.

They also relieve Dizziness, Sleeplessness, Nervousness, Car-Sickness, and Distress after eating.

"For many years I have been a constant sufferer from neuralgia and headache, and have never been able to obtain any relief from various headache powders and capsules, until I tried Dr. Miles' Anti-Pain Pills. They always cure my headache in five minutes time." FRED B. SWING, Cashier 1st Nat. Bank, Athens, Neb.

Good Wheat Crop in Russia.

St. Petersburg, June 14.—The prospects of a good Russian wheat harvest continue. In the south, southwest, Northern Caucasus, Vistula region and the Ural provinces the condition of the crops is far above the average, but the outlook is correspondingly bad in some of the central governments and the Volga region. The outlook for rye is less satisfactory, the failure of the crops covering the same area is wheat. Famine is predicted in some of the governments.

Dying of Famine

Is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all drug stores. Price 50c and \$1 a bottle. Trial bottle free.

To Review Troops with Kaiser.

Berlin, June 13.—2:55 p. m.—Emperor William invited Silas McBee, editor of the Churchway, of New York, to join the imperial party yesterday at the review at Potsdam of a model battalion of troops composed of three men from each battalion of the Prussian army. His majesty afterwards talked half an hour with Mr. McBee on educational and religious topics.

Huge Task.

It was a huge task to undertake the cure of such a bad case of kidney disease as that of C. F. Collier of Cherokee, La., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach." Guaranteed by all druggists; price 50c.
